BEGIN:	6:00 PM	FIRST BREAK	7:20-7:30	SECOND BREAK	8:50-9:00	END:	11:04 PM

### GENERAL

- Tech tables will be gone tomorrow.
- We would like to look at curtain call before the run tomorrow.
- Tomorrow is our final/invited dress.
- Today ran 91 minutes, plus a 15 minute intermission.

### SCENIC

- Scenic is continuing to work.
- The flats SR and SL will be painted to blend in.
- Can the coat dress form please be pulled downstage?
- We would like a downlight for the coat dress form.
- The work on the blackout is great, but there is a gap at center where the curtains go together.
- Lights would like the LD set up to be moved up next to the light board. **Repeated in Lights.**
- The only thing that will be missing for the run tomorrow is the forest model.

### PROPS

- The vodka bottle spilled in the props bin, but was cleaned at intermission.
- Props will take photos of Actor AG and Actor BV at the top of day tomorrow.

### SOUND

- We are ok with the pre-show music going long.
- Thunder placement may shift.
- Lights and Sound will discuss thunder placement before the run tomorrow. **Repeated in Lights.**

## COSTUMES

- Actor B is still struggling to get into and out of the Sonya dress.

## LIGHTS

- Lights and Sound will discuss thunder placement. **Repeated in Sound.**
- Lights will work on curtain call and lightning tomorrow.
- Lights would like the LD set up to be moved up next to the light board. **Repeated in Scenic.**
- Lights will be in to look at LED tape and case items around 4:00 PM.

## MANAGEMENT

- Can we please confirm that Dramaturgy will have a team to help set up the lobby?
- The lobby lights are still flickering, can we please reach out to facilities.
